Coffee Corner

A man who had gone into a coma awoke clear-headed in the year 2020. The first thing he did was phone his broker, who informed him that his AT & T stock was now worth \$5 million, his GM stock \$10 million and his Xerox stock \$15 million. "I'm rich," the man exclaimed excitedly. Then the operator interrupted, "Your three minutes are up. Deposit \$1 million, please."

One man explains why his phone bill is too high: "It's because I make so many calls to the electric company complaining that my electric bill is too high."

"Your son will be a farmer," the doctor said.

"How do you now that?" asked the farmer.

"Because," said the doctor, "He cried the minute he was born."
